

## CAT SURRENDER REQUEST FORM

The Humane Society of Charlotte receives countless requests from owners looking for assistance in rehoming their cats. The Cat Surrender Request Forms and Veterinary Records are critical to the assessment process. The first step in having your cat considered for admission is to submit this completed form along with the cat's veterinary records via email to [intakes@humanecharlotte.org](mailto:intakes@humanecharlotte.org). A representative of HSC will follow up within 48 hours of receipt of this form and veterinary records to discuss options.

Fee: There is a substantial cost incurred in providing care, medical and behavioral attention and rehoming the pets in our care. If your pet is selected for intake to the Humane Society of Charlotte's adoption program, we request a minimum surrender donation of \$50 to help defer these costs.
