Here's What You Need to Know:

- Due to the number of requests that we receive, please try to schedule tours at least one month in advance.
- We rely on the kindness and generosity of our volunteers to fulfill your request. We may not be able to fulfill all of the requests that we receive.
- Scout programs usually last about an hour.
- By signing this form, you confirm that you have obtained parents / guardians permission.
- The Humane Society of Charlotte will review this request and you will be notified within 5 days depending on the availability of our volunteers.
- Please be aware and understanding of the need to restrict where and when animals make appearances. The well-being of our animals is very important.
- Only the scouts working on their badges are allowed to attend with the leaders.

Thank you again for all your efforts on behalf of the animals at the Humane Society of Charlotte.
