“ Right now, I’m battling my second and  
third brain tumor, and I’ve got some  
heart problems. So, believe me when I  
tell you reading to those dogs is filling  
a void since I’m not allowed to work  
at this time and it’s also filling my  
heart with tremendous joy! I know the  
dogs benefit greatly from it and I feel  
honored to do what I can! Thank you  
and your staff so very much! ”
