## Program Topics

### Safety Around Animals

What are animals trying to tell us? This class helps us to learn how to read dog and cat body language to ensure future interactions are safe and positive.

### Breed Identification

This program discusses different dog breeds, how stereotypes can be harmful, and why it's important to practice kindness and inclusion with one another.

### Pet Care 101

The key to a happy and healthy pet is first to know how to take care of them! We will discuss the commitment and cost of bringing a pet home.

### Vet School

Learn what it means to be a veterinarian, get hands on with real tools and practice how to keep animals healthy.
